#### **For Macintosh**

Operating System: MAC OS 10.0 or higher

Memory: 256 MB or more strongly recommended

Monitor: 1024x768–pixel resolution strongly recommended

Connection: Internet service and 56K modem minimum

Recommended Browsers: Mozilla Firefox, Apple Safari

## **Software**

### **Playing Audio and Video**

Video files on Gutenberg-e are viewable with either QuickTime or RealOne Player. Audio files may require Flash Player. These programs are often included as plug-ins for browsers. If you experience problems viewing video on Gutenberg-e, you may have to download the free plug-in. Before downloading, be sure that your computer meets the minimum system requirements for downloading and running the software.

### **Viewing and Printing Documents**

Some documents on Gutenberg-e are available in PDF (portable document format) and must be viewed with Adobe Reader.

If you have further questions about using Gutenberg-e, you can request help from [gutenberg-help@columbia.edu](mailto:gutenberg-help@columbia.edu).
